Shopping Centre

Merry Christmas

IT seems like only yesterday since last December's newsletter, but the twinkling lights and manic shoppers tells us the festive season is here again!

So sit down with your mince pie and hot cup of tea and flick through the pages.

Don't forget to keep warm and well this winter and pick up an information leaflet in the NDC office on Park Road.

Merry Christmas from the Resident Steering Group and all the staff at Hartlepool New Deal for Communities.
