BUMPER EDITION!

A SUMMER OF FUN WITH NDC!

## It's Summer!

This issue of the NDC newsletter is jam-packed with plenty of activities to keep both children and adults occupied over the summer months.

We are also highlighting the fantastic voluntary work of young people in the area and how they are helping to make the many summer activities a success.

We hope to focus more on young people in forthcoming editions of the newsletter and let local residents know the good work that the area's youngsters are becoming part of.

## Summer Fun Day

CAFÉ 177 AND THE BELLE VUE CENTRE PRESENTS....

**A SUMMER FUN DAY FOR ALL THE FAMILY!**

Join in a fun-packed day for all the family with bouncy castles, treasure hunts, a climbing wall, stalls, a disco, and much more!

Also, why not try the skate park and watch the fantastic It's a Knockout Event.

Taking place on Saturday 8th September at 10.00am on Stranton Primary School field, entry is free and the fun lasts all afternoon.

For more information, please contact Trevor Robinson at the Belle Vue Centre on 221832 or Lisa Powton at Café 177 on 862177.

## CLUB177 lands at Café 177

**A brand new young person's event which promises dancing, music, and an electric atmosphere is being launched at Café 177.**

Called Club177, the new night will replace the 'Sweet by the Sea' event which was changed following feedback from local young people that said they wanted a cheaper entry fee and more centrally located venue.

Club177 will begin on Friday 6th July between 7.00pm until 10.00pm with a fun-packed evening which includes dancing and music for young people aged between 11 and 16.

Manager of Café 177 Mally Priddy adds: "Demand for tickets for Club177 has been really high and we hope to recreate the same atmosphere as 'Sweet'.

"We want to be able to offer young people in the area activities that they want to take part in and feel that we do this with Club177."

Entry into Club177 is free for the time being, however there will be a minimal

charge of between £2 and £3 for future events. Tickets are available from Café 177 at 177 York Road; please call 862177 for more information.

## Dent and Derwent Area

**Dent and Derwent Area Residents' Association held a quiz challenge in which resident groups, wardens, NDC staff, councillors and neighbourhood management staff all tested their knowledge.**

Called Residents vs. The Rest, the event raised approximately £250 to go towards an event for local children

later this year.

The evening was won by the Westenders (M. Haughey, L. Fishwick, M. Watts, M. Doublet, R. Hastings, and W. Skirving)

A well fought out tie-breaker (well a toss of a coin) saw The Nursery coming second place over The Mudlarks.

## Stockton Road Residents' Association

Stockton Road Residents' Association would like to thank NDC for the Hartlepool United football tickets that were provided to the group and given to local residents.

We would also like to thank everyone that takes part in the production of the NDC newsletter and we look forward to reading forthcoming editions.
